"I just wanted to touch base with you in regards to Saturday night, everything was fantastic! The actors did an amazing job! They were funny and really entertained us, and the singing was a great touch too. Everyone thoroughly enjoyed themselves and really liked the fact that the actors involved them but didn't make them have to act anything out. They liked that they could be apart of it by talking or just giving a high five or something along those lines. We just wanted to say thank you for everything!" - Merck Sharp & Dohme Federal Credit Union
